

St Neots Concert Band will be performing their Summer Concert on
Sunday 1st July, 7.30pm at
Trinity Methodist Church, Biggleswade.

Ticket prices are £8.00 each with concessions of £5.00 each. Refreshments will be served in the interval.

St Neots Concert Band was founded in 2005 by Anne Templer and Claire Rawson.

Its aim is to cover a wide variety of wind ensemble repertoire, including arrangements of 'classical' and 'light' music, providing challenges for the players and exciting pieces for audiences. It continues to go from strength to strength, performing in approximately 3 concerts a year in the local area. They often perform with St Neots Big Band - a complimentary group founded at the same time as the Concert Band, and both are attracting ever more loyal audiences.

Anne Templer and Claire Rawson both have musical backgrounds as performers and teachers; Anne as a percussionist, arranger and composer, and Claire as a woodwind player, specialising in the saxophone and clarinet. Their studies at The Guildhall School of Music and Christchurch College Canterbury respectively have led to projects and performances in a wide range of idioms, including workshops, recordings and directing ensembles. They are both delighted to be conducting the performance which will include **pieces by Gilbert and Sullivan, Gershwin, Gordon Jacob along with musical interludes played by a Saxophone Quartet.**

Proceeds from the concert will go to St Neots Concert Band and Trinity Community Fund.
